

SAKO 85 XL 90 LIMITED ANNIVERSARY EDITION**SAKO 85 XL 90 LIMITED ANNIVERSARY EDITION** based on the **SAKO 85** extra large action XL.

The **ACTIONS** continue to offer traditional **SAKO 85** features such as: mechanical ejection; controlled feed; integral tapered scope mount rail and one-piece forged bolt. All outer surfaces are polished. Hand-crafted anniversary engraving on the receiver.

The fixed **MAGAZINE** with handcrafted anniversary engraved hinged floorplate holds 4 large cartridges. Magazine latch is in front of the trigger guard.

The single-stage **TRIGGER** pull is adjustable from 1 kg to 2 kg (2 to 4 lbs).

The **SAFETY** features a mechanism that allows loading and unloading of the rifle with safety engaged.

The classic style, straight, oilfinished **STOCK** is made of high grade walnut class 5 with an ebony forend tip and pistol grip cap. Handcrafted anniversary engraving on the pistol grip cap. Band type front swivel around the barrel in front of the forend.

Special **OPEN SIGHTS** with quarter-rib type rear sight and band type front sight is adjustable for windage. Integral rails for the scope mounts are on the top of the receiver.

On the rifle is also **Swarovski Z6i 1-6x24 EE / 4-I Reticle** riflescope assembled with Sako Optilock scope mounts.

The heavy **BARREL** is cold-hammerforged.

SAKO 85 XL 90 LIMITED ANNIVERSARY EDITION is delivered in leather case included leather gun sling, cleaning kit, tool set and ammo. Limited 10pcs edition.
